

[Sgm Pilot 3000 Fixture Editor Download](#)

The screenshot shows the "Light Controller Plus" software interface. The window title is "Light Controller Plus - /tmp/testFixtures.qxw". The interface is divided into several sections:

- Fixtures Groups / Channels Groups:** A tree view on the left shows a list of fixtures. The "TRI64 PRO" fixture is selected and highlighted in blue.
- Fixture List:** A table with columns "Name", "Universe", and "Address".
- TRI64 PRO Details:** A panel on the right showing technical specifications for the selected fixture.
- DMX Channel Table:** A table showing the mapping of DMX channels to fixture names.
- Physical Specifications:** A section listing dimensions and weight.
- Bulb and Lens Information:** Details about the light source and lens.
- Bottom Panel:** A row of icons for "Fixtures", "Functions", "Shows", "Virtual Console", "Simple Desk", and "Inputs/Outputs".
